Specifications

Home
for
Ever

Foundation

- : Resilient and robust, our foundations are deep R.C.C piled penetrating to requisite strata

Structure

- : Strongly Reinforced Cement Concrete blocks are used to frame our structures which ensure durability

Walls

- : Premium quality concrete solid/ hollow blocks are used to build fill walls preventing cracks and fissures effectively

Wall finish

- : Our external walls use superior cement mortar plastering and weather coat finish to ensure aesthetic appeal. Internal walls are finely putted and rendered emulsion paint finish.

Doors & Windows

- : The front doors are crafted in premium quality Hardwood. Exquisitely moulded panel doors are used for interiors. Windows have been crafted of powder coated aluminium with M.S grills and glass panes.

Flooring

- : Magnificent vitrified tiled flooring designs are devised for apartments, ground floor lobby, passages and main staircase

Kitchen

- : Kitchen without counter top slab and dadoing for easy fit out of cabinets.

Toilets

- : Pleasantly designed, our toilets have 6 feet high ceramic

glazed tiles. Bathrooms in master bedrooms have an inbuilt space for Geyser with power and water connection points. Other features are premium quality wash basins, European closets(Cera or equivalent), chromium plated taps and shower fixtures(Marc or equivalent).

Electrical connectivity : Safe and well equipped, our apartments have three phase power connectivity with concealed wiring controlled by ELCB/ MCB. Syncing well with the interiors, we have elegant modular switches(Crabtree or equivalent). The master bedroom has provision for split A/C.

Water connection : To ensure absolutely nil inconvenience, water supply will be available around the clock through sump and overhead tanks. Drinking water will be available from a KWA line in the kitchen. Incase of an immediate requirement, provisions have been made to draw water from the well too.

Entertainment & Communication : Keeping pace with times, provisions for all sorts of connectivity has been ensured at our apartments. Telephone and TV line connectivity has been provided for in the drawing room & master bedroom. So has docks for internet connectivity been provided too.

Car Parking : We have adequate parking facility within the project. You will be required to pay an extra cost determined for the same.
